Class Placement

All classes (except Ballet I–V) are **based on the student's age** as of September 30—no exceptions. Students may join a class for a younger age group but not an older one. Instructors make final placement decisions.

Ballet Class Placement

- Pre-Ballet I is for dancers ages 6–8. It prepares dancers transitioning from 5.5–6.5 Combo to our Ballet program. If you're unsure whether your dancer should take Pre-Ballet I or Ballet I, call or email the office or your dancer's current instructor.
- Ballet I–V is for dancers 7 and up. Ballet levels are based on skill, not age. Returning students will find recommended Ballet placements posted on the skills tab in the parent portal. Students typically stay in the same ballet level for several years. New students will be evaluated for placement (call our office for evaluation times). See page 8 for more on our Ballet program.
-

Class Offerings

ACRO – A 45-minute class for students **ages 5–18**. This acrobatic class teaches floor gymnastics, progressing from forward rolls and cartwheels to advanced tumbling and aerial work. Teachers work with each student at their individual level, focusing on flexibility, agility, and teamwork. All students must participate in recital due to the partner work and tricks involved.

BALLET – A class for **ages 6 and up**, divided into 6 levels (Pre-Ballet to Ballet V) with placement by skill level. Younger students are encouraged to take a Combo Tap/Ballet class. New students should contact the office for an evaluation appointment for levels II–V.

BROADWAY HEELS – A 30-minute class for students **ages 9–18**. This class builds on jazz technique, teaching dancers to move smoothly in character shoes ("heels") used in musicals and Broadway shows. Perfect for dancers interested in musical theater.

HIP HOP/FUNK – A 30-minute or 45-minute class for students **ages 7–18**. Hip Hop is an upbeat style performed to popular music. Though rooted in urban street dancing, it has become widely popular in entertainment. Funk dancing fuses jazz roots with Hip Hop, break dancing, popping & locking, and other fashionable dance genres.

JAZZ – A 30-minute or 45-minute class for students **ages 7–18**. Jazz dance combines structured technique with versatile forms and can be performed to various music styles from Broadway to pop.

JAZZ & TUMBLE – A 45-minute class for students **ages 3–6**. The class begins with tumbling and basic acrobatic skills, followed by upbeat jazz/hip hop. Students will perform a jazz dance in the recital (no tumbling performance).

JAZZ & HIP HOP – A 30-minute class for students **ages 5–6**. This class combines the upbeat style of hip-hop with jazz technique. All music and dance moves are age-appropriate.

LEAPS & TURNS *Baxter Only* – A class designed for students wanting to improve their leaping and turning techniques. Turns include en dehors (outside) and en dedans (inside) pirouettes, various turn progressions across the floor, and fouette turns. Leaps include grande jete, sauté chat, center leaps, switch leaps, and reverse leaps. See our schedule for age group offerings.

LYRICAL/CONTEMPORARY – A 30-minute or 45-minute class for students **ages 7–18**. Lyrical dance fuses ballet and jazz techniques, using expressive movement to interpret music and convey emotion. Contemporary dance combines elements of Modern, Jazz, Lyrical, and Ballet to create a versatile, expressive style.

MODERN *Baxter Only* – A 30 to 45 min class for **ages 13 and up**. This class incorporates movements from Ballet, Cunningham, Graham, Horton, and Limon techniques to engage and strengthen core muscles. Modern dance increases flexibility and creates a connection between mind and body.*

MOMMY & ME *Providence Only* – A class for dancers **ages 1.5–3**, designed to develop coordination, listening skills, balance, music interpretation, creative movement, and motor skills. Moms wear comfortable clothing while young dancers wear leotards, tights, and pink ballet shoes.

MUSICAL THEATER – A 30-minute class for students **ages 6–10** that combines Jazz and acting. Dancers work on Jazz technique while portraying characters. Using Broadway songs, the class helps children develop their inner actor/actress!

POINTE/PRE-POINTE – A class where ballet dancers support their body weight on fully extended feet, creating a weightless, sylph-like appearance using special box-toed pointe shoes. Students are recommended for pointe based on age and ability. A minimum of two

regular ballet classes must be attended to dance en pointe, including the ballet class directly before pre-pointe or pointe. There is no recital for Pre-Pointe classes. To learn more, see info on our Ballet Program below.

POMS – A 30-minute movement class for students **ages 4–18** that focuses on sharp arm movements, choreographic visuals, and dance team/cheer skills.

TAP – A 30-minute or 45-minute class for students **ages 6–18**. This percussive style of dancing creates rhythmic sounds when the metal plates on dancers' shoes strike hard surfaces. Younger students are encouraged to take a combination class (see Tap & Ballet Combo).

TAP & BALLET COMBO – A 45-minute class for students **ages 2½–6½** teaching tap and ballet fundamentals. Students begin with tap and finish with ballet, arriving with tap shoes on. Teachers assist young dancers with shoe changes. Children who aren't potty trained should wear pull-ups.

TUMBLING – A 30-minute class for students **ages 3–6**. This class teaches basic floor tumbling including forward rolls, back bends, cartwheels, and fundamental acrobatic strengthening and coordination skills. There is no recital for Tumbling classes.

AERIALS & BACK HANDSPRINGS *Summer Only* – For students who are close to completing an aerial and/or back handspring, or who want to master these tricks. Prerequisites: cartwheel from the knee on dominant side, and right and left front and back walkovers with no spotter.

BALANCES & CONTORTION *Summer Only* – Focuses on skills including chin stands, chest stands, elbow stands, head stands, shoulder stands, handstands, partner balances, standing splits, arrows, and perches. Prerequisites: standing back bend with no spotter and ability to stand up from back bends unassisted.

CONDITIONING *Summer Only* – Features core strengthening and cardiovascular exercises to build strength and stamina throughout the body. This class complements extreme stretch and stretch/strengthen classes. All levels are welcome in age-appropriate classes.

CONTEMPORARY COMPOSITION & IMPROVISATION *Summer Only* – Combines structured improvisation with contemporary combinations to create routines. Dancers explore their own movements, choreography, levels, space, partnering, and relationships to each other.

EXTREME STRETCH/LEGS & FEET/CONTORTION *Summer Only* – Designed for dancers seeking greater flexibility. Instructors provide exercises students can practice at home, with different classes focusing on specific body areas. All ages and levels are welcome.

IMPROVISATION *Summer Only* – Explores freedom of movement, spatial awareness, and structured creativity with choreography. Encompasses various dance styles and includes experimentation with props. All levels are welcome in age-appropriate classes.

All classes (except Ballet I-V) are based on the student's age as of September 30th.

Ballet Program

Mission: Hands-on instruction in a supportive environment, blending Vaganova, Royal Academy, and Balanchine methods to emphasize technique, alignment, and musicality.

Levels: Our Ballet program features progressive levels (Pre-Ballet, Ballet 1-5, and Pointe) teaching age-appropriate fundamentals.

- Six-year-olds who completed Tap & Ballet Combo classes or young 7/8-year-olds needing a gentle transition should start with Pre-Ballet I
- Students typically stay in each ballet level for multiple years
- Returning students: Check recommended placements in the Parent Portal's Skills tab
- New students: receive placement evaluations—contact our office with questions

Pre-Pointe/Pointe students: Must take two Ballet classes, with one immediately before their Pointe class.

Schedule Changes & Waitlists

Class changes: Students may drop and add classes based on availability. Class changes may require purchasing an additional costume to ensure proper costume orders. Late registrants may need private lessons at the teacher's discretion.

Withdrawals: To withdraw from any MSDA class, notify the studio office and complete a Withdrawal Form. Not attending classes does not count as a withdrawal. Students and parents must give at least 30 days' written notice, pay tuition and fees incurred during that time, and follow the Handbook policy on payment and costume pick-up. MSDA will refund unused recital fees for withdrawals before February 28, 2026, and tuition payments for classes beyond the 30-day notice period (subject to offset against unpaid balances). Costume fees, and other fees are not refundable. If a costume has been purchased for a withdrawn class and the student moves out of town, a \$25 shipping fee per costume applies.

Waitlist policy: Students wanting placement in a full class will be added to a waitlist. The studio decides which available spots to fill. To join a waitlist, log into your parent portal (if enrolled) or visit the registration page (if not in our database) and click "Waitlist" for the full class. A credit card is required to create your account and join the waitlist, but you won't be charged unless a spot opens and we confirm your dancer's enrollment and registration.

General Policies

Anti-bullying Policy

Purpose: Our dance studio is committed to creating and maintaining a sanctuary where peace, passion for dance, and mutual respect are paramount. We believe every individual has the right to learn and grow in a safe and supportive environment free from intimidation, harassment, and bullying.

Definition of Bullying: Bullying constitutes any repeated, intentional behavior that causes physical, emotional, or psychological harm to another individual within the studio. This includes, but is not limited to:

- Verbal abuse, such as name-calling, teasing, or making derogatory remarks.
- Physical aggression or intimidation, including unwanted physical contact or threatening gestures.
- Social exclusion or manipulation.
- Cyberbullying through digital platforms, such as social media, text messaging, or emails.
- Any other behavior that disrupts a student's ability to learn and feel safe in the studio.

Repercussions: The repercussions for bullying will be taken very seriously and can include the following progressive steps, depending on the severity and frequency of the behavior:

1. Verbal warning and discussion with the involved parties to mediate and resolve issues.
2. Written warning delivered to the parents/guardians outlining the behavior and future expectations.
3. Mandatory meeting with the student, parents/guardians, and studio director to discuss the behavior and potential consequences if it continues.
4. Suspension from classes and studio-related activities for a period determined by the studio director.
5. Permanent expulsion from the dance studio in cases of severe or unrepentant bullying.

Reporting and Addressing Bullying: We encourage all students, parents, and staff to report any instances of bullying immediately to the studio director or a trusted teacher. All reports will be taken seriously and investigated promptly and discreetly. Confidentiality will be maintained to the greatest extent possible.

We will work together with all parties involved to find a resolution that supports the victim, holds the perpetrator accountable, and maintains the integrity of our studio's safe and welcoming environment.

Commitment to Prevention: Our studio is committed to preventative measures through regular education on the impact of bullying, promoting a culture of kindness and inclusivity, and fostering open communication between students, parents, and staff. Together, we can ensure our studio remains a place where every dancer can thrive and pursue their passion for dance without fear or reservation.

Medications & Emergency Care

- If a dancer requires an emergency medication/device, place it in a labeled baggie with clear instructions and two emergency contacts. Keep it on the dancer (in a clear bag) or in the classroom during class.
- MSDA does not carry medical insurance and does not provide medical diagnosis or treatment. Staff respond to emergencies only.

Student/Parent/Teacher Relations

Contacting Instructors: Instructors can be reached via email. All email addresses are listed on the MSDA website (About Us / Our Staff). Please don't try to catch an instructor between classes—their schedules are very tight.

Social Media: Follow us on Facebook and Instagram to stay up to date with the latest MSDA news. To maintain a positive environment, we kindly remind families and students that negative comments posted on social media may result in account termination with no eligibility for refunds.

Phone Calls: You may leave a message for a teacher at the studio. Due to varied work schedules, email is best.

Misconduct in Class: Our priority is to provide a safe, respectful, and positive environment for all dancers. Mutual respect between students and instructors is essential for a productive classroom experience. If misconduct occurs, teachers will address the issue in the classroom. If the behavior continues, the dancer may be asked to sit out or temporarily leave the classroom. The teacher will follow up with the dancer after class. Dancers are not permitted to leave the building if asked to step out—they must remain on studio premises for the post-class discussion with their instructor. If this type of behavior occurs, parents will be contacted. We believe collaboration between parents and teachers is essential to maintaining consistent expectations and ensuring appropriate discipline.

Opening Class Doors: Please respect our instructors. All classes are closed sessions. Do not open the door during class. When class is over, the instructor will open the door for the next class to enter and students will exit to the lobby.

Winter and Spring Parent Observation: Parents will be invited to attend and watch the entire class.

Emails from Studio: All registered accounts will automatically receive email updates and alerts from the studio. You can update your email address through your parent portal. Please pay attention to email communications. MSDA will use email to share Handbook updates, changes to procedures or guidelines, and other important information during the year.

Personal Belongings

Labels: Please label all shoes, dancewear, dance bags, coats, etc. with the students first and last name. Please write your dancer's name on the bottom of their shoes. If not labeled properly, teachers will write your dancers first and last name on their shoes during the first few weeks of classes. If the item left behind is properly labeled, the studio will attempt to contact the parent and hold that item in the "pick-up drawer" located in the studio office. 2.

Lost & Found: Each location has a "Lost & Found." Items will be donated monthly and when the bin becomes overfull. Please check these bins regularly. MSDA is not responsible for lost or stolen items

Preparing for Class

- Dancers should enter the studio fully dressed for class with their hair properly pulled back (bun for Ballet) and proper dance shoes on. Please do not wear street shoes in the dance rooms. Dance bags may be brought into the room or left in the cubby area.
- Combo classes (preschool through age 6) should wear tap shoes when entering class each week. Please put ballet shoes in a dance bag to bring into class. Label your child's shoes and bag with their name. Teachers will help dancers change shoes during class.
- Please ensure all cell phones, smart watches, and electronic devices are left in dancers' bags with ringers and sounds set to silent.

Parent Portal

You can access your studio account through the parent portal or the MSDA App. From there, you can send messages to the studio, view and print your registered classes, submit absences, check makeup class eligibility, update your payment information, make payments, and more.

What to Expect Your First Week of Class

1. The halls are very crowded during the first few weeks of classes. This will settle down soon.
2. There's a lot of class switching as families adjust to the new schedule. Please be patient. Classes often need to shift at the same time so dancers can attend all their subjects.
3. Like school, the first few weeks focus on review. This helps everyone get comfortable with new classes and teachers. It also allows teachers to evaluate students and ensure they're in the right level.
4. If your dancer is placed in a class that isn't the right fit—don't worry—we'll find a better match!
5. Parking is the #1 complaint at dance schools nationwide. Unfortunately, this can't be helped. Please drive carefully and watch for children!
6. Arrive on time with your dancer dressed and ready to dance.
7. Please keep the hallways clear. Dancers will be released in the lower lobby area for pick-up.
8. It's normal for our youngest dancers to have some tears or anxiety during the first few weeks. Teachers are trained to get children focused quickly. It's not uncommon to have a few dancers needing extra comfort during the first month! The best way to help your child succeed is to reassure them they're going to have fun, then leave

quickly and make sure the door is closed. Please keep noise down in the hallways, and don't let siblings open or knock on the door—this distracts the dancers.

9. Please have all dancers use the bathroom before class. Teachers will take them during class if needed, but this can be disruptive. All young combo students should wear a pull-up if they're not potty-trained.
